Year 6 Residential Trip – Information for Parents and Carers

Dear Parents and Carers,

We are delighted to be planning a residential trip for our Year 6 children to Sayers Croft. We understand that choosing whether your child should attend a residential visit is an important decision, and you may have questions or concerns before committing.

The residential will provide the children with an exciting opportunity to develop their independence, build confidence, strengthen friendships and create lasting memories with their classmates.

Activities and Evening Entertainment

Sayers Croft offers a wide range of outdoor activities and experiences for children to enjoy. Further information about the centre and the activities available can be found on their website using the link below:

Sayers Croft website: www.sayerscrofttrust.org.uk

As well as the daytime activities, the children will have the opportunity to take part in a range of evening activities, including a night walk, disco, film night and bonfire. These experiences will make the residential an enjoyable and memorable time for everyone.

Safeguarding and Accommodation

We recognise that parents may have questions about safeguarding and overnight arrangements. Please be reassured that boys and girls will have separate dormitories and separate showering facilities. The school will also ensure that appropriate supervision and safeguarding arrangements are in place throughout the residential. Three adults from school will also be attending.

Meals and Allergies

All meals are included in the cost of the residential. Sayers Croft will be informed in advance of any children who have food allergies or specific dietary requirements so that these can be communicated and appropriate arrangements made.

Before You Commit

The deposit date for payment has been changed to October 31st, as this will allow time for you to look at the website and have any queries answered.

We appreciate that you may wish to have further information or discuss any concerns before making a decision about your child's participation. Please do not hesitate to contact the school if you have any questions about the activities, accommodation, safeguarding arrangements, meals or any other aspect of the trip.

We hope that as many Year 6 children as possible will be able to take part in this valuable experience. The residential will be a wonderful opportunity for the children to challenge themselves, work together as a team and enjoy a memorable part of their final year at primary school.

Thank you for your continued support.

Kind regards,

Yours sincerely,

Mrs Bennett
